<b>Remarks:</b> Your note concerning resignee interviews came up at about the same time we were inquiring about what was happening. I had asked ██████████ to look into it and some of his comments are attached. When we do get reports of interview, we have always included them along with the worksheets with the draft on the 12 and Above Report unless the information warrants submission to you in advance. As indicated in Bob's note of 20 March 1964, we are taking a look at the whole resignee interview program to see whether or not a new statement of policy may be in order.
